Use your Unique Entity ID (SAM)

As of **April 4, 2022**, the government is no longer using the Data Universal Numbering System (DUNS) number as the authoritative Unique Entity Identifier and has transitioned to the new Unique Entity ID (SAM) generated at SAM.gov. Click [here](#) for more information on the government transition to Unique Entity ID (SAM).

Get Quotes

Professional Services - Business Administrative Services

Category	Description
541611	Management and Financial Consulting, Acquisition and Grants Management Support, and Business Program and Project Management Services - Provide operating advice and assistance on administrative and management issues. Examples include: strategic and organizational planning, business process improvement, acquisition and grants management support, facilitation, surveys, assessment and improvement of financial management systems, financial reporting and analysis, due diligence in validating an agency's portfolio of assets and related support services, strategic financial planning, financial policy formulation and development, special cost studies, actuarial services, economic and regulatory analysis, benchmarking and program metrics, and business program and project management.

Inherently Governmental services as identified in FAR 7.503 or by the ordering agency are prohibited. It is the responsibility of the Contracting Officer placing the order to make this determination. Ordering activities must require prospective contractors to identify potential conflicts of interest and address those, prior to task order award.
